100 - 120, Black plastic, Plastic**

3911817

Product Information

SKU	3911817
Materials	Plastic
Finishings	Black plastic
Packaging	200 Ut
Height	100 - 120
H	98-140

Leveling foot for low kitchen modules, made of black plastic. It allows graduation of between 100 mm and 120 mm, with a minimum height of 148 mm fully screwed in and a maximum of 190 mm completely unscrewed. These measurements take into account the base screw mounting, the diameter of the bracket is 30 mm, with internal thread. It has a 48 mm diameter fulcrum, with a grooved frusto-conical shape to improve stability. It can be installed perfectly in aluminum or wood baseboards by means of screw or landfall and is packaged in bags of 4 units in boxes of 200 feet. The packaging contains 200 units.
