3125107	400	1.8	Zinc plated Steel
3125108	450	2.1	Zinc plated Steel
3125109	500	2.4	Zinc plated Steel

Product Information

SKU	3125105
Materials	Steel
Finishings	Zinc plated
Packaging	40 Ut
Hand	Left
Depth	300

The Brave partial extraction slides with soft closing support a maximum of 20 kilograms, which makes them very versatile when using them in drawers that will store different items. They are made of steel, which makes them very resistant to continuous use for years. Its main attraction is automatic soft closing. It also has a shock absorbing piston on each side. It has a nice zinc plated finish and is manufactured in depths from 300 mm to 500 mm, which makes them very versatile for different applications.
